

Youth Team Leader Advert

24 hours per week | £14.14 per hour | Hope Church, Diss, Norfolk

Help young people belong, encounter Jesus and discover who they are

Hope Church is looking for a passionate, visionary and relational **Youth Team Leader** to lead and develop our youth ministry and help shape the next generation.

We believe young people are not simply the church of tomorrow — **they are an important and active part of the church today**. Our vision is to see young people know Jesus, discover their identity and purpose, encounter the Holy Spirit, grow in faith and become confident in living out their faith.

This is an exciting opportunity for someone who wants to do more than simply run youth programmes. We're looking for someone who can **champion and advocate for young people across the whole church**, helping create a culture where they are seen, heard, welcomed, valued and empowered to participate in the life of the church.

The opportunity

As Youth Team Leader, you'll provide vision and leadership for our youth ministry, developing engaging and relevant opportunities for young people to encounter Jesus and grow as disciples.

You'll lead our Sunday youth ministry, **Youth Connect** and **Youth Hang-Out**, creating environments where young people can have fun, build friendships, ask questions, explore faith and encounter God.

A key part of the role will be investing in and developing volunteers. You'll help build a team that feels equipped, supported and excited about

serving young people, while encouraging volunteers in their own discipleship and gifts.

You'll also develop strong relationships with young people and their families, build connections with local schools and explore opportunities to engage with the wider community. We want our youth ministry to be outward-looking and missional, creating opportunities for young people who aren't yet connected with church to experience the hope of Jesus.

Who we're looking for

We're looking for someone who has a vibrant and growing relationship with Jesus and a genuine passion for young people.

You'll be a confident and creative leader who can carry vision, inspire volunteers and bring energy and fresh ideas. You'll also be relational and pastoral, able to build trusted and appropriate relationships with young people and listen well to their experiences, questions and needs.

You'll have a heart for seeing young people discover their God-given identity, gifts and purpose, and a desire to see them participate, serve and lead within the life of the church.

You'll also share our passion for mission — looking beyond the church building and building meaningful relationships with schools, families and the wider community.
