

Children's Team Leader Advert

24 hours per week | £14.14 per hour | Hope Church, Diss, Norfolk

Help the next generation discover Jesus

Hope Church is looking for a passionate, visionary and relational **Children's Team Leader** to lead and develop our Children's ministry and help shape the next generation.

We believe children are not simply the church of tomorrow — **they are an important and active part of the church today**. Our vision is to see children know Jesus, discover their identity and purpose, encounter the Holy Spirit, grow in faith and become confident in living out their faith.

This is an exciting opportunity for someone who wants to do more than simply run Children's programmes. We're looking for someone who can **champion and advocate for children across the whole church**, helping create a culture where they are seen, heard, welcomed, valued and empowered to participate in the life of the church.

The opportunity

As Children's Team Leader, you'll provide vision and leadership for our Children's ministry, developing engaging and relevant opportunities for children to encounter Jesus and grow as disciples.

You'll lead our Sunday Children's ministry, **Children's Connect** and toddler ministry, creating environments where children can have fun, build friendships, ask questions, explore faith and encounter God.

A key part of the role will be investing in and developing volunteers. You'll help build a team that feels equipped, supported and excited about serving children, while encouraging volunteers in their own discipleship and gifts.

You'll also equip and encourage parents and carers as they nurture their Children's faith at home. Alongside this, you'll develop strong relationships with families, local schools and the wider community, exploring opportunities for outreach, special events and holiday clubs.

We want our Children's ministry to be outward-looking and missional, creating opportunities for children and families who aren't yet connected with church to experience the hope of Jesus.

Who we're looking for

We're looking for someone who has a vibrant and growing relationship with Jesus and a genuine passion for children and families.

You'll be a confident and creative leader who can carry vision, inspire volunteers and bring energy and fresh ideas. You'll also be relational and pastoral, able to build strong relationships with children and families and create safe, welcoming environments where children can flourish.

You'll have a heart for seeing children discover their God-given identity, gifts and purpose, and a desire to see them participate, serve and contribute within the life of the church.

You'll also share our passion for mission — looking beyond the church building and building meaningful relationships with schools, families and the wider community.
